TÆL SKRIDT

We're counting steps 4 times a year!

Tæl Skridt calendar for 2022

Tæl Skridt gets Denmark moving all year. We are now counting steps four x two weeks, so the many extra steps can translate into new healthy habits all year round.

Campaign 1	Week 4-5
Campaign 2	Week 17-18
Campaign 3	Week 36-37
Campaign 4	Week 45-46

Tæl Skridt are about adding more movement, social life and fun competition into your everyday life.
