REMEMBER

TO ENTER STEPS EVERY DAY ...

Dear colleague,

Remember to log in and enter your steps every day at www.taelskridt.dk.

If we all enter our steps every day, we can keep track of the standings and engage in internal competition. You also get a new spin on the wheel of fortune every day, where you can win various prizes. There's only one spin per day, so make sure to visit the site every day to not miss a winning chance.

Additionally, the Tæl Skridt team draws 3 winners of the weekly competition "The Diligent Logger" every Thursday during the campaign period. The winners are drawn from all those who have a 100% entry rate on Thursday morning.

Cheers from the team captain
