COMPETITION

Dear colleague,

Tæl Skridt is more than just counting steps. It's about putting a smile on each other's faces, fighting together, and remembering to enter your steps for the good of the whole team. This is what we focus on in the 3 weekly competitions.

Every week, the Tæl Skridt team celebrates **"The Most Motivating Team Captain"**, **"The Fighter Team"**, and **"The Diligent Logger"**.

Read more here [link to description on the website, behind login – possibly located on a hidden page], and join the competitions.

To win the title of **"The Most Motivating Team Captain"**, the team captain must be nominated. You can do this by sending an email to the Tæl Skridt team at kontakt@taelskridt.dk in the first week of the campaign with a reason why your team captain deserves recognition.

The winner will be announced on Monday in campaign week 2.

To win the title of **"The Fighter Team"**, the team must be nominated. You can do this by sending an email to the Tæl Skridt team at kontakt@taelskridt.dk with a reason why this team deserves to be celebrated.

The winner will be announced on **Friday in campaign week 2.**

Cheers from the team captain.
